

Cedar Grove Police Department

Bicycle Safety Event

The Cedar Grove Police Department will be hosting a Bicycle Safety Event for local children in Kindergarten thru 8th Grade. Biking is fun, healthy, and a great way to get around and be independent. As summer is quickly approaching, children of all ages will be out and about enjoying the nice weather and activities that go along with being off from school. Anticipating more children taking to the road on bicycles, the Cedar Grove Police Department would like to make sure everyone is prepared for a safe riding experience.

- Cedar Grove Police Officers will be on hand to inspect the children's bicycles to make sure they are safe to ride for the upcoming summer.
- The Officers will record the bicycle in a registration log.
- Also, the Officers will be checking bicycle helmets for a proper fit.
- We will provide a limited amount of bicycle helmets free of charge to children who need them.
- In addition there will be a road course set up to have the children ride through and learn hands on some of the basic rules of the road for bicyclists.
